

WE GUARANTEE YOU THE APPLAUSE – AND THE ROI

Why partner with us?

Too many details, not enough time or resources. It's a plight we often hear and that's where we can help. Evolution Event Solutions is your answer. With over 30 years of experience and an exceptional understanding of corporate meeting objectives, we can be an extension of your internal team and will expertly manage every detail of your meeting or event – from contract negotiation to BEO's to room layouts and billing – streamlining the process by becoming your one point of contact.

Are we the perfect choice?

The devil is in the details when planning sales meetings or coordinating product launch events. Working with a team that understands your goals is key. That's why EES is the perfect choice as your meeting and event partner. We know that a skillfully negotiated contract and a successful meeting drives profitability.

Details create the event. Success drives the ROI. Let's partner together to deliver results.
